Sing 91

Mr. J. E. Spingarn
Amenia, Dutchess Co., N. Y.

My dear Mr. Spingarn:

Thank you for the subscription. I am sending you the two copies at once.

It is very gratifying that you remember the New Mexico folk songs of my "Land of Poco Tiempo" of so long ago. I feel sure you will find these California songs delightful. They are making a real place for themselves in the hearts of thousands of my countrymen; and not only in family but in community singing they have proved very contagious.

Mr. Farwell and I are now at work on the Second Book, which I hope to issue this fall.

Sincerely Yours
